Our buildings are thoughtfully designed, keeping the health and well-being of our employees and occupiers in mind. Different design elements ensure that the buildings offer a conducive work environment. These elements minimise stress or discomfort due to loud sounds, insufficient light or excessive glare, or thermal stress in order to create ergonomically friendly spaces. At Anant Raj, we have taken a number of steps to control the dust released from our projects.

- Each of our sites is surrounded by high barricades
- When not in use, construction materials kept on the ground or in vehicles are mandatorily covered

The Company is committed to continuously employing Safety, Health and Environment practices through benchmarking with the companies that are best in the business. We check for Air quality at our offices spaces and take regular measures to improve the same. Frequent equipment checks are carried out to mitigate any wear and tear due to continued use, E.g.: Air Conditioners, UPS, Stabilisers etc, Fire alarm systems and smoke detectors are installed at all premises. Fire extinguishers are kept filled to ensure effective use during any untoward incidents.

The Company strives to use inflammable substitutes for its construction project sites. Project specific safety committee is established and improvement areas are discussed.

The Company has a strong 'Customer Relationship Department' located in the Head Office in Delhi and is a nodal point for dealing with customer Grievances. Customer feedback plays a vital role as it gives us insight into customer satisfaction levels. Customer queries could either be in the form of service request or a complaint where the desired work is unfulfilled within the stipulated time frame. We are adequately and suitably staffed to facilitate customers to lodge their grievances through our IVR system, Emails, phones, website, social media etc. While complaints are resolved through structured complaints matrix, queries involving inputs required from cross-functional teams are dealt accordingly by the team and the same is communicated to customer for closure of their service request within the defined time frame. The team reports to the Department head and escalate the customer complaints as and when required for complete resolution of customer query. All complaints/queries received are being recorded, tracked and reported by the customer care representative where focus is on customer satisfaction and retaining him with the company.

We have a designated team for receiving grievances and for advising; the department has been devised along with an escalation matrix for unresolved grievances. There is a Turn Around time (TAT) to resolve/respond to the received complaints. The complaints are being resolved within a stipulated timeframe through various mediums like phones, emails, website, social media, IVR system, etc. Thus, the company has a planned and organised process of resolving customer grievances.
