Message from Chairman and MD

Ashok Sarin
Chairman

Anil Sarin
Managing Director

Dear Shareholders,

It is our pleasure to welcome you to the Annual General Meeting of your Company for the year 2015-16. We always look forward to reviewing the performance for the previous fiscal year as well as share our views on the outlook and future plans of your Company.

As you are aware, the Indian real estate industry had been facing stiff and strong winds over the last few years. We can trace this rough weather to the financial crisis of 2008 which had a direct and drastic impact on the real estate space. The recent past has seen concerning overhang of inventory, projects slowing down, decline in launch of new project and an overall sense of trepidation and apprehension in the sector. Almost every player, big or small, felt the impact of these Strong Winds as sales remained subdued, costs increased and margins came under pressure.

However, the last year has been a year of revival sector. As the Indian economy continues to surge ahead, there has been a remarkable change in sentiments. Key macro-economical parameters like inflation and interest rates have been favorable. Wages are rising. The government's thrust on the real estate sector with long-term initiatives like Housing for All by 2022, 100 Smart Cities and focus on infrastructure are all expected to boost demand in the coming years. Legislative interventions in the form of Real Estate (Regulation and Development) Act, 2016 as well as clarity on REITs will bring in more structure and transparency in the sector and make it more attractive for investors. There has been a flurry of activities in the PE space. The commercial real estate market has been witnessing strong demand during the year.

We believe, these are all positive signs that the real estate sector is poised for a phase of growth.

At Anant Raj Limited, this was a year when we continued to focus on our execution. Anant Raj Estate, our marquee mega project at Sector 63A in Gurgaon, saw work going on in full

“

Anant Raj Estate, our marquee mega project at Sector 63A in Gurgaon, saw work going on in full swing and received the fastest ever certificate of partial completion

”

swing and received the fastest ever certificate of partial completion. We are also considering launching a commercial project worth about ₹ 500 crores at Sector 63A in 2016-17. We shall keep you updated on this.

As far as the financial performance of your Company is concerned, it was a year of good all round performance. In line with the industry trend, there was a marginal drop in revenues. The Total Revenue for the year declined by 8.42 per cent to ₹ 443.30 crores compared to ₹ 484.08 Crores in the previous year. Profit After Tax (PAT) for the year was ₹ 64.18 crores against ₹ 142.38 crores in the previous year. What makes this year's performance noteworthy is the fact that unlike last year, when the sale of land at 4 Bhagwan Das Road augmented the financial performance, this year, we have achieved this performance without the sale of any principal asset.

At Anant Raj Limited, we are at a good place. Against strong winds in the industry, we have stronger wings that will take us to greater heights in the days to come. Let us briefly explain this :

- We have a land bank of 1,038 acres which is amongst the highest in NCR. What makes this land bank special is the fact that it was acquired at a low cost. It is entirely paid for and is located within 50 km. radius of Delhi
- We have a highly balanced portfolio of real estate assets land plots, ready-to-lease commercial properties, hotel plots and our township project, Anant Raj Estate. What this diversified asset portfolio does is gives us a steady cash flow in the form of rental income as well as capital value appreciation
- Our low-cost land bank gives us massive advantage in the low-cost housing market, which is one of Prime Minister, Shri Narendra Modi's dream projects. At Neemrana in Rajasthan, we have proven our expertise in low-cost housing by developing and delivering 3,000 flats
- With almost 5.5 million sq.ft. of ready commercial property of which only 30 per cent is leased, we are poised for a significant upside as the commercial sub-segment has seen highest traction in the last year
- We have filed designs and applications for all our hotel plots where, with the new FSI rules, we have a potential to develop 7,000 rooms

What makes us stand apart is the fact that we are one of the few companies in our space who do not need any fresh capital expenditure. All our land bank is fully-paid and all our commercial projects are ready. We only need cash-flow for execution, which we are confident to generate from sales.

The outlook for the near and mid-term is promising. The economy is confidently surging ahead; the implementation

of the 7th Pay Commission is expected to increase consumer demand; the regulatory changes and government initiatives are expected to start bearing results. Normal monsoon this year will also result in an all round boost for the economy.

As we look ahead, we see a lot of potential. There is significant value that stands to be unlocked at Anant Raj Limited in commercial real estate, in low-cost housing, in hotel plots and at Anant Raj Estate.

The Board of Directors of your Company at their meeting held on July 19, 2016 has approved the Composite Scheme of Arrangement between Anant Raj Ltd (ARL), Anant Raj Agencies Pvt Ltd (ARAPL) Promoter Group Company, Taurus Promoters and Developers Pvt Ltd (TPDPL) and Anant Raj Global Ltd (ARGL) and further on July 30, 2016 has approved minor modification in the said scheme. The proposed Composite Scheme of Arrangement provides for:

- i) Demerger of Real Estate Division of Anant Raj Agencies Private Limited (ARAPL/Demergered Company 1/ Amalgamating Company) into Taurus Promoters & Developers Private Limited (TPDPL/Resulting Company 1) and subsequent amalgamation of Remaining ARAPL with the Company
- ii) Demerger of Project Division of the Company into Anant Raj Global Limited (ARGL/ Resulting Company 2) (a WOS of the Company, yet to be incorporated) and subsequent listing of ARGL at BSE Limited (BSE) and National Stock Exchange of India Limited (NSE)

The above scheme of arrangement shall be subject to the approval of Stock Exchanges, High Court (s), other regulatory Authorities, Shareholders and Creditors of all the Companies.

We believe that the restructuring under this scheme would enable business approach with greater focus and attention for maximization of benefits to all stakeholders and capitalize on the opportunity for the growth.

Indeed, we are set to soar, on Stronger Wings.

We thank you for your continued trust and confidence. We would also like to extend our heartfelt thanks to all our stakeholders : our investors, our partners, our employees, our customers and most of all, our shareholders, for their faith and support. Thank you very much.

Yours sincerely,

Ashok Sarin

Commercial Real Estate - Unlocking the Potential and the Value

The Commercial real estate sub-segment has shown a remarkable and significant traction during the year 2015-16. Absorption has increased in all the key cities of the country accompanied by a healthy increase in average rentals.

The sustained economic growth in the country for the last two consecutive years has remarkably improved the investment and business sentiment, leading to a surge in demand for commercial office space. Another important factor has been limited supply of quality commercial real estate properties, particularly in light of the fact that there was a marked decline in new launches.

New completions, transactions & vacancy in top six cities

(Source: Knight Frank Research)

In the NCR region, absorption increased significantly in 2015-16. IT and ITeS continued to be the key demand drivers, with e-commerce firms also vying for quality office space.

Office Space Stock and Vacancy Levels

(Source: Knight Frank Research)

This strong revival of demand in the commercial real estate space has created rising opportunity for Anant Raj Limited. With over 5.5 million sq.ft. of top-quality, ready for fit-out office space in NCR, Anant Raj Limited has one of the largest commercial ready real estate.

What makes this an interesting and exciting opportunity is the fact that this entire portfolio of commercial real estate is fully paid up, and there is no further expense that needs to be incurred on these. The Company does not need require any more investment or cash flow to unlock the value of its commercial real estate properties.

We are creating new sales teams that will focus on leasing out the commercial assets. These highly trained and professional sales team will actively pursue new clients in IT/ITeS, e-commerce, telecommunications segments, as well as in the manufacturing sector. They will be in constant touch with the rental markets and ensure that the commercial real estate of the Company are leased out to prime clients at best rates.

Currently, only 30 per cent of the total commercial space is leased out, generating a steady cash flow of ₹ 66.32 crores annually. In other words, we have another 70 per cent of commercial space that is ready to be leased out.

On a conservative estimate, even if we double our total lease to 60 per cent in the next one year, we are looking for additional rental income of ₹ 50 crores annually at current rental rates.

Low Cost Housing - the New Focus and Opportunity

The Housing for All by 2022 mission is very close to the heart of India's Prime Minister, Shri Narendra Modi. A key focus in this ambitious project is low-cost housing.

305 cities have been identified in nine states under the ambitious Housing for All by 2022 initiative with a target of building two crore houses by 2022 for the poor in urban areas, coinciding with seventy five years of the country's independence. According to a recent report by Cushman & Wakefield, the overall affordable housing segment offers a US\$ 11.8 billion opportunity in the key seven cities of India.

One of the key challenges for developing and delivering low-cost homes is low-cost land. Since land cost comprises a major portion of the overall cost, it is the availability of low-cost land with developers that creates an edge and an advantage in this fast emerging opportunity.

At Anant Raj Limited, low-cost housing is our new focus area and an exciting opportunity. We are the only developers to complete and deliver 2,600 low-cost homes at AASHRAY in Neemrana, Rajasthan.

The key and critical success factor for our success in AASHRAY was the fact that we owned the low-cost, ready to develop land. This low-cost land ensured that we could build and deliver homes costing just ₹ 8.20 lacs to the first-time buyers, in line with the Prime Minister's vision. The fact that AASHRAY was completed in a record time of 36 months, is a testimony to our expertise and execution.

With the success of AASHRAY, Anant Raj Limited has successfully proven and showcased its capability and capacity to emerge as a leading player in the low-cost housing segment. We are now looking ahead to execute larger low-cost housing projects.

We have low-cost land. We have top-class execution capabilities. We have the necessary experience. We have completed low-cost project in record time.

We are now endeavoring for more.

Strong Winds. Stronger Wings.

Anant Raj Estate - Execution Re-defined

Anant Raj Estate is our marquee residential project at Sector 63A in Gurgaon, Haryana. Spread over 160 acres, Anant Raj Estate has an approximate developable area of 6 million sq.ft. and a potential monetization opportunity of ₹ 5,000-6,000 crores to be unlocked over the next five-six years.

Projects as large and massive as Anant Raj Estate test the execution capabilities. Development happens according to a carefully thought-through plan, and execution needs to be seamlessly synced.

In 2014-15, we completed Phase 1 of the project. Such was the swift of our execution that we got one of the fastest ever certificate of partial completion from the government of Haryana. We have handed over fully developed plots to buyers who have started construction during the year. We are also on track to complete Estate Floors and hand them to buyers by the end of this year. Sample villas of different sizes are also ready for prospective buyers to view and experience.

At Anant Raj Estate, we have only developed 65 acres of the total 160 acres. In other words, there is a significant value that we are poised to unlock in the near term.

Another interesting development that has happened over the last year is the fast emergence of Sector 63A as a commercial area. At Anant Raj Estate, we have sufficient provision for commercial developments. The demand for commercial real estate is on the rise in this region, we are considering launching a commercial project at Anant Raj Estate approximately valued at ₹ 500 crores during this year.

Execution at Anant Raj Estate continues at full speed!

Land Bank - our Key Asset and Advantage

Land is the single-most important factor in the real estate business. It is the quality of land - its location, its cost and its readiness for development that defines and differentiates the long-term success, growth and expansion.

At Anant Raj Limited, we own one of the largest land banks in Delhi and NCR. What differentiates our land bank is the fact they all the land parcels are located in existing and emerging growth hot-spots in Delhi and NCR, making them highly valuable as supply of land in these areas is very restricted. All approvals and clearances are in place, making every plot we own ready for development.

And most importantly, our entire land bank is fully-paid and we do not need any more investment or cash flow on this critical and crucial front.

Our land bank gives us the competitive advantage of developing quality projects at top locations at competitive prices, as well as develop and deliver low-cost houses at extremely affordable rates.

Hotel Plots

Anant Raj Limited is the largest land owner for Hotel and Hospitality plots in NCR with 14-15 prime land parcels.

Last year, the FSI/FAR for such plots has gone up from 0.15 to 1.75.

The Company owns many projects in the Hospitality sector. With the new development norms incorporated in the Master Plan, these projects will get additional area for the development of Commercial space, Club, Service Apartments, Hotel Rooms etc. which will substantially contribute to the revenues of the Company in the future. We have already started the approval process for the above.

This change means that we now have the potential for 7,000 rooms from our existing plots.

All drawings and necessary applications have already been submitted for approvals.

Our focus and strategy for these hotel plots is clear. We will identify the right plot, acquire these and get all permissions to make the ready for development. We will either lease these to hotel chains or sell them outright, but we will never go into day-to-day running of hotels.

Strong Winds. Stronger Wings.

Stronger Wings. Higher Skies.

Debt

- As interest rates come down, the Company's finance costs are also going down as the Company progressively replaces high cost debt with low cost debts
- Funds only required for execution, which are linked to sales
- The biggest strength is that the Company does not need any more capex

Rentals Set To Grow

- Even a conservative rise of occupancy from 30% to 60% will result in Rental income increasing from approx. ₹ 70 crores to ₹ 120 crores – which will boost financial performance significantly
- This is even if the actual rents do not increase – and only considering present rent levels

Low Cost Housing

- The success of AASHRAY at Neemrana has already positioned Anant Raj as one of the few players with both capacity (low cost rent) and capability (developed and delivered due to expertise), attracting many state governments to approach the Company

Hotel Plots

- Largest land bank of Hotel Plots
- 10x FAR
- Anant Raj has enough hotel land plots with a potential of 7,000 rooms
- Plans and drawings have been submitted
- Proven expertise in identifying right plots / getting permissions / developing the properties for Leasing / Selling
- No plans to get into hotel operations

Anant Raj Estate

- Execution going on in full swing
- Construction on plots already started
- Estate Floors to be handed over in December 2016
- Only 65 acres of the total 160 acres developed
- 10 acres of Commercial project worth ₹ 1,000 crores being considered as Sector 63A becomes a fast growing commercial area

Bhikadia, Company Secretary in practice to undertake the Secretarial Audit of the Company. The Secretarial Audit Report for the financial year ended March 31, 2016, is annexed herewith as "Annexure-IX".

Clarification to the observations in the Secretarial Audit Report

- a) The Secretarial Auditors Report for the year 2015-16 contains an observation regarding non-appointment of Key Managerial Personnel (Chief Financial Officer). In this regard, the Board wish to submit that, the Company had appointed Sh. Yogesh Kumar Sharma as Chief Financial Officer (CFO) of the Company in compliance with Companies Act, 2013 read with relevant rules and regulations, but due to untimely demise of

Sh. Yogesh Kumar Sharma who passed away on January 25, 2015, the office of Chief Financial Officer has remained vacant. Sh. Omi Chand Rajput, Vice President Finance of the company, who is currently discharging the functions of Chief Financial Officer. The Company has shortlisted a few candidates for the said office and the requirement is in the final stages of completion.

- b) The Secretarial Auditors Report for the year 2015-16 also contains an observation regarding short fall in the amounts to be spent in respect of CSR activities in the financial year March, 2016.

In this regard the Board submits that the Company was conservative in choosing the projects which would be deserving and genuine. It was due to this reason that the Company could not expend the full budgeted figure on CSR projects in the relevant period. The Company would continue its search for identifying projects which are deserving and genuine and would strive to achieve the CSR objectives. The Board ensures that unspent amount will be spent on genuine projects, in the years to come.

iv) Internal Auditors

The Board of Directors of your Company has re-appointed M/s G.K Choksi & Co. Chartered Accountants as the Internal Auditors of the Company pursuant to the provisions of Section 138 of the Companies Act, 2013 for Financial Year 2016-2017.

6. In case the company failed to spend the two per cent of the average net profit of the last three financial years or any part thereof, the company shall provide the reasons for not spending the amount in its Board Report

The Company is committed to Corporate Social Responsibility. The Company during the year ended March 31, 2016, was required to spend 2% of the average net profit of the Company for last three financial years. i.e. ₹ 2.68 Crores. During the year under review, your Company as part of its CSR initiatives has spent an amount aggregating to ₹ 1.44 Crores on the projects covered under the CSR Policy of the Company. There is a short fall in spending the part of the CSR amount because the Company was conservative in choosing the projects which would be deserving and genuine. It was due to this reason that the Company could not expend the full budgeted figure on CSR projects in the relevant period. The Company would continue its search for identifying projects which are deserving and genuine and would strive to achieve the CSR objectives. The Board ensures that unspent amount will be spent on genuine projects, in the years to come.

7. Responsibility Statement of the CSR committee that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and policy of the Company

The CSR committee confirm that the Implementation and monitoring of CSR policy, is in compliance with CSR objective and policy of the company.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC OVERVIEW

Global

The global economy struggled to gain momentum amidst strong headwinds, geopolitical tensions, fragile commodity prices, declining net capital flows to emerging economies, unsteady financial markets and slowdown in global trade continued. Despite signs of recovery in 2014, the turmoil in the global economy resulted in a subdued growth of 3.1% in 2015 compared to 3.4% in 2014. The growth in emerging and developing nations slowed to 4% compared to 4.6% in 2014 due to declining trade and depreciating currencies of countries in the region.

China witnessed the slowest growth in two decades at 6.9% while Brazil and Russia witnessed negative growth of 3.8% and 3.7% respectively.

The growth in advanced economies remained constant at previous years' level of 1.9% led by 1.7% growth in Euro area (primarily France, Spain and Italy) compared to 0.9% in 2014. The US economy maintained last year's growth level of 2.4% despite declining trade, energy investments, and domestic demand.

The outlook for the global economy remains lacklustre on account of various economic and non-economic troubles that would drag down growth to 3.1% in 2016. (Source: World Economic Outlook, International Monetary Fund)

Indian economy

The Indian economy continues to perform strongly amidst global turmoil. The favourable policies like 'Make in India', 'Start-up India', 'Digital India', 'Jan Dhan Yojana' and 'Swachh Bharat Abhiyan' are beginning to show result. Strong commitment towards fiscal targets has resulted in most of the macro-economic factors being under control. As on March 2016, the inflation is under 5% and fiscal deficit has declined to 3.99% of the GDP and foreign exchange reserves have swelled to USD 355.60 bn, equivalent to 10 months of imports. The repo rates have declined by 100 basis points to 6.5% as on April, 2016.

Driven by these factors, the India economy grew 7.6% in 2015-16 compared to 7.2% in 2014-15. At the major development in the economy during the past two years under the strong leadership of Prime Minister Mr. Narendra Modi has resulted in a stronger economy and improving business environment. Project clearances are faster, stalled projects are getting fast-tracked, fund flows are smooth, FDI policies are easing and infrastructure sector is getting its due importance with increasing investments. The government further intends to enhance tourism in the country and focus on developing a single-window clearance mechanism. As a result of these initiatives, India's ranking improved by four spots to 130 out of 189 countries in the ease of doing business index by the World Bank.

The outlook for the Indian economy is quite strong and is expected to become the world's fastest growing major economies. RBI expects India to grow at 7.6% in 2016-17 driven by low oil prices, rising final consumption and increased infrastructure investments.

Mr. Arun Jaitley (Finance Minister, India) expects the Indian economy to cross the USD 5 trillion dollar mark from the USD 2.07 trillion in 2015 in a matter of few years driven by various economic reforms. INDUSTRY OVERVIEW

The Indian Real Estate Industry

The real estate sector in India plays a significant role in driving the economic momentum. It is amongst the largest employer and an attractive investment destination in the Asia-Pacific region accounting for nearly 50% of the total investment activity in the country. However, the past few years have been difficult for the industry as real estate developers lured by strong economic momentum, rising disposable income of middle-class population, growing private participation and foreign investments, and liberalisation of policies overestimated demand. As a result, on one hand the supply outstripped demand while on the other hand the strong real estate demand during the 2000s led to surging real estate prices. This combination of oversupply and rising prices resulted in a sudden downturn in the sector as purchases fell significantly, unsold inventory rose, developers faced liquidity crunch resulting in delays in existing construction projects and escalating costs.

This led to vicious cycle that paralysed the industry during the past four years. However, the sector is expected to stabilise soon supported by falling interest rates and rising economic activities. The new real estate act and relaxation in FDI policies shall enable the industry to regain the buyers' confidence. Further, the implementation of the seventh pay commission resulting in hike of 23.6% in government employees' wages shall boost demand.

One of the major optimism for the industry has been the reinforced trust of the private equity (PE) players in the sector. In 2015, the PE investments increased 59% to USD 3.96 bn (USD 2.22 bn foreign based investments). The FDI inflow in the sector declined 84% from ₹ 4,652 cr in 2014-15 to ₹ 727 cr. However, the relaxation in the FDI policies during the year is seen as an encouraging move by the government that is expected to enhance FDI inflows in the coming years.

Over the next four years, the demand for grade 'A' office stock is estimated at USD 54-67 bn while that in residential segment is estimated at 900,000 units. (Source: Department of Industrial Policy & Promotion, KPMG, The Hans India, Cushman & Wakefield)

Regulatory environment

- **Relaxation in the FDI policies:** For the real estate sector in the country to flourish FDI inflows are a key. However, owing to unattractive FDI policies investors shunned the sector for long. In a bid to boost the FDI inflows into the country the government undertook various amendments that include:
 - o Removal of minimum floor area and minimum capitalization conditions.

Strong Winds. Stronger Wings.

- o Permission to exit investments at any time post completion of project or development of trunk infrastructure.
- o Allowing construction led development projects to have 100% FDI under automatic route.
- o Stake transfer amongst non-resident investors to be permitted without repatriation of investment, government approval or conditions for lock-in period.
- o Special economic zones, hotels and tourist resorts, hospitals, educational institutions, old age homes and investment by Non-Resident Indians (NRIs) to have no lock-in period conditions.

(Source: FDI Policy, Department of Industrial Policy and Promotion, Government of India)

- **Real Estate (Regulation and Development) Act, 2016:** The various ambiguities in the real estate projects and lack of proper policies to safeguard buyers' interest resulted in low confidence in the sector. However, the new Real Estate (Regulation and Development) Act, 2016 coming into force w.e.f. May, 2016 would undertake necessary measures for protecting consumers' interest, ensure credibility of transactions, bring back the confidence in sector and boost growth. The major highlights of the Act include:

- o State Real Estate Regulatory Authority as the governing body for each state
- o Projects measuring over 500 square metres or eight apartments to be registered with the RERA.
- o Detailed project plan and layout, government approvals, land title status, sub-contractors to the project, and completion schedule to be provided to the State Real Estate Regulatory Authority (RERA) before the consumers.
- o Developer cannot make changes in project plan without buyer consent and has to specify carpet area instead of the ambiguous super built-up area
- o In order to prevent the developer to invest booking funds in other projects, the act specifies the developer to park 70% of the project fund in dedicated bank account. In case of project delays the developer to bear EMI interest cost of consumers.
- o The buyer can demand after sales services from the developer within a year in case of shortfall in commitments.

- **Real Estate Investment Trusts (REITs):** REITs, an internationally acclaimed real estate investment structure, was introduced in India in 2014 as a tool to finance income-producing real estate projects and provide investors regular income streams. However, concerns regarding applicability Minimum alternate tax (MAT) and foreign investments in the assets resisted development. Thus, to make the REITs more feasible, profitable and enhance its liquidity the government undertook various amendments that include:

- o Restraining the applicability of minimum alternate tax (MAT) only on actual transfer of units and not on gains and losses from exchange of shares within the units of a business trust REIT.

- o Recognition of REITs as eligible financial instruments or structures under the Foreign Exchange Management Act (FEMA), 1999 to qualify foreign investments into these assets.

REIT opportunities

The cumulative REIT-able office stock across top eight cities (Mumbai, NCR, Bengaluru, Pune, Chennai, Hyderabad, Kolkata and Ahmedabad) is about 315 msf with rental income generation value of USD 4.3 billion per annum as on Q1 2016 including grade A inventory that is not strata sold. Bengaluru with over 100 msf, has the highest REIT-able stock. By 2020, the REIT-able office stock is expected to increase to 450 msf in the top eight cities generating a rental income of USD 7.3 billion per annum.

While the cumulative REIT-able (non-strata sold) mall space is expected to be nearly 40 msf. Mumbai, Delhi-NCR and Bengaluru with 11 msf, 7.4 msf and 6.5 msf REIT-able mall space accounts for 63% of the retail inventory. By 2018, 25 msf of under-construction mall space is expected to operationalise in the top eight cities.

Residential real estate

The residential real estate sector reeling under tremendous pressure for the past few years witnessed a significant slump in demand. In 2015, despite a revival in macro-economy the demand remained subdued owing to high prices, low buyer confidence and issues relating to quality and project delays. As a result, in 2015 the sales in top eight cities declined marginally to 267,956 units while new launches fell sharply by 22% to 244,065 units.

The lack of demand and increasing unsold inventory in the past few years has resulted in a decline in property prices growth rates. As per RBI's April 2016 Housing Price Index (HPI), the rate of increase in the home prices plummeted to its lowest in nearly six years. The HPI increased from 218.2 in September, 2015 to 221.7 in December, 2015 while rate of increase in housing prices declined to 10%. (Source: Knight Frank, RBI)

In H1 2016, new launches in the top eight cities declined 9% to 1,07,120 units from 1,17,200 units in H1 2015. NCR witnessed sharpest drop in new launches at 41% year-on-year (YoY) followed by Chennai at 36% and Pune at 32%. While the sale in the top eight cities in H1 2016 increased 7% YoY from 1,26,615 units in H1 2015 to 1,35,015 units. Mumbai and Bengaluru accounted for majority of the growth as sales increased 23% and 16% YoY respectively. The rising sales and declining new launches resulted in 7% decline in unsold inventory from 710,340 units in H1 2015 to 660,240 units in H1 2016.

For the full year 2016, the new launches is expected to decline 8.86% to 222,452 units while sales is expected to grow 5% to 281,351 units. (Source: Knight Frank)

NCR real estate

In 2015, the new launches in NCR declined 20% to 63,458 units owing to piling-up inventories and low sales velocity. On the other hand, the demand in NCR is yet to pick-up with sales marginally improving to 48,800 units. Various macro-economic factors and delays in large scale projects delivery in the region have lowered buyers' confidence resulting in retrained buying.

Fallacies in policies in regards to opening up of new land for development, allotment of group housing licences in areas having

no infrastructure, project delays due to litigations and the liquidity crunch alongwith stagnant incomes have negatively impacted NCR's real estate market.

The real estate prices that witnessed muted growth due to low demand and piling inventory have finally registered a 4% YoY decline in H1 2016. Cash strapped developers focused more on completion of existing projects and cutting down new launches. As a result, in H1 2016 the NCR market witnessed demand outstripping supply for the first time in many years as new launches fell considerably by 41% to 17,462 units as sales declined 7.63% YoY to 23,092 units, signalling a market correction.

Over 80% of the launches in NCR came from Greater Noida and Gurgaon. While almost 72% of the new launches in NCR were under the sub ₹ 5 mn category indicating a move towards affordable housing. At the end of H1 2016, the quarters to sell (QTS) unsold inventory in NCR stood at 17 quarters with an unsold inventory of 200,398 units. Ghaziabad and Greater Noida remain the best performing markets with a QTS of 16 and 15 respectively.

For the full year 2016, new launches in NCR is expected to decline by 41% to 37,268 units while sales is expected to decline by 3% to 47,399 units. Reputed and trustworthy developers with good track record would have an upper hand in sales in the current market conditions.

Commercial real estate

In 2015, the strengthening macro-economy and improving business scenario resulted in a rise in office space absorption in top six cities (Mumbai, NCR, Bengaluru, Pune, Chennai and Hyderabad) from 38.3 mn sq. ft. (msf) in 2014 to 41.1 msf resulting in a decline in vacancy levels to 15.6% from a peak of 21% in 2012. IT/ITeS sector continued to be the major demand driver while the manufacturing sector witnessed rising demand. The new office space supply declined marginally from 34.9 msf in 2014 to 34.5 msf. Mumbai, Bengaluru and NCR continue to be the leading destinations with highest stock of office space and new launches during the year

The top six cities with a combined office space of 560 msf have an occupancy level of nearly 85%. NCR, Mumbai and Chennai with 21.5%, 20% and 15.4% have the highest vacancy levels while Bengaluru, Pune and Hyderabad with 7.5%, 10.8% and 14.6% have the lowest vacancy levels. (Source: Knight Frank research)

NCR commercial real estate

In 2015, NCR with office space absorption of 7.4 msf maintained its high absorption reputation. However, with a 42% growth in new completions supply reached 11.5 msf pushing the vacancy levels to 21.5%. During the end of the year the total office stock stood at 138 msf of which 108 msf was occupied.

The corporate office space demand continued to outstrip the demand from IT/ITeS sector. The year saw a significant increase in office space demand from other services sector, especially from e-commerce companies. Demand from manufacturing sector also witnessed significant growth.

In H2 2015, small to mid-size transactions dominated the leasing activity with 57% of total transactions involving floor plates less than 12,500 sq. ft. resulting in a 41% decline in the average

transacted space from 35,600 sq. ft. in H2 2014 to 21,000 sq. ft. Gurgaon accounted for 54% of the total 175 deals in NCR, followed by 39 deals in peripheral business district of Noida and 28 deals in the secondary business district of Delhi. While in H1 2016, the average transacted space further declined to 19,850 sq. ft.

The lack of quality office space in key locations has resulted in rising rentals in NCR. During H2 2015, the weighted average rentals increased 11% from ₹ 58/ sq. ft. per month in H2 2014 to ₹ 64/ sq. ft. per month and then to ₹ 70/ sq. ft. per month in H1 2016. The rentals are further expected to increase to ₹ 73/ sq. ft. per month in H2 2016.

In 2016, the total new supply of office space is expected to decline significantly by 56% to 5 msf. While the total absorptions is likely to be 7.2 msf leading to decline in the vacancy rates to 19.4% by the end of 2016.

BUSINESS OVERVIEW

Anant Raj Limited (ARL) is amongst the most trusted and prominent real estate players operating in the NCR (Delhi and surrounding urban areas of Haryana, Rajasthan and Uttar Pradesh). It has an expertise in the real estate sector through its four decades rich experience and has successfully developed 4.50 msf of residential, 0.75 msf of commercial, 0.45 msf of hospitality and 4.35 msf of IT/SEZ/logistics properties. The company is further planning to develop 5.50 msf of residential, 1.80 msf of commercial and 10.72 msf of IT/SEZ/logistics properties. The Company enjoys a key strategic advantage of holding 1,038 acres (397 acres in Delhi) of developable land bank area in NCR acquired over a decade back at comparatively cheaper rates. The value of the land bank has appreciated significantly over the years and provides significant growth opportunities for the Company once the sector revives.

The Company's competitive advantage includes a well-balanced and diversified portfolio that generates regular cash flows for meeting working capital requirements and lump sum cash flow for project funding requirements. 40% of the Comapny's portfolio is in residential, 30% in commercial and 15% each in IT/SEZ/logistics and hospitality.

The Company's excellence in construction quality, diligence in timely completion, pricing, transparency and location selection makes it the most preferred real estate developers in the entire NCR. Consumers tend to have high confidence in our projects as they have a reputation of becoming milestones and provide significant capital appreciation over time.

As on March 31, 2016, the Company has 5 on-going projects under various stages of construction having a total developable area of 10.40 msf and a monetisation value of ₹ 7,000 Cr. in the next five years. The on-going projects of the Company include:

CONSOLIDATED PROFIT & LOSS ANALYSIS

Revenues

The Company's revenues declined 8.42% from ₹ 484.08 Crores in 2014-15 to ₹ 443.30 Crores in 2015-16 despite of company's good performance during the year because in FY 2014-15, the company sold one of its prime assets at an attractive price which resulted in extra revenue during FY 14-15. In 2015-16, 85.04% of the total revenues came from residential sales while the remaining 14.96% came from rentals and services. During the year, the Company sold 3,90,260 sq. ft. of residential units amounting to ₹ 195 Crores.

Profitability and margins

The rising construction costs and decline in real estate prices resulted in an overall decline in the profitability of the Company. STRENGTHS

- **Large developable land bank:** Our deep knowledge of NCR enabled us to analyse and select right areas for procuring land that are relatively underdeveloped, low in cost and have significant scope for appreciation. This allowed us to create a 1,100 acre land bank in the past decade.
- **Diversified portfolio:** Our robust experience of working across diverse range of projects that include residential, commercial, IT/SEZ/Logistics, hospitality, township and malls enables us to take up any kind of project depending upon the demand in the region. Commercial properties provide us regular cash inflows in the form of rentals that keep increasing overtime enabling us to meet working capital requirements. Thus, the diversified portfolio safeguards us from downturn.
- **Strong execution skills:** We are amongst the few real estate developers in NCR that diligently maintains project execution schedule. In fact, our excellence in project quality and timely delivery is the key reason that most consumers prefer us. Our team of experienced in-house engineers, architects and designers, and strong relations with quality raw material suppliers enable us to ensure smooth work flow. Our strong IT infrastructure further enables us to plan and track projects efficiently.
- **Geographic focus:** Our focus of limiting operations in National Capital Region enabled us to gain in-depth insights and knowledge of the region. We are amongst the few companies to have detailed information regarding the demographics, evolving consumer trends and key growth locations that shall provide significant capital appreciation to consumers.

OUTLOOK AND OPPORTUNITIES

- **Pent-up residential demand:** Despite the current on-going sluggishness in the residential real estate sector in India there is immense pent-up demand given the huge influx of nearly 10 million people every year to urban centres, rising nuclear families and the large proportion of youth population aged between 15-35 years. This is likely to boost growth in the real estate sector resulting in its share to GDP increasing from a mere 6.3% in 2013 with a value of USD 121 bn to 13% by 2028 with a value of USD 853 bn. (Source: KMPG report)
- **Strong macro-economic scenario:** The outlook for Indian economy is pretty strong and it is expected to be the fastest growing major economies of the world over the next few years. The macro-economic factors like inflation, current account deficit, fiscal deficit, interest rates and forex

reserves are all in favourable areas. This is likely to boost the country's business environment leading to an immense demand for commercial space.

- **Government initiatives:** The creation of '100 smart cities' and 'Housing for All' projects undertaken by the Government of India shall create huge demand for the real estate sector. Under the smart cities projects each of the cities shall be provided ₹ 500 crore assistance from Centre over a period of five years to undertake various infrastructural development programmes. This shall create massive demand for the real estate sector. While under the 'Housing for All' scheme the government intends to provide low-cost housing to all its citizens for meeting the housing shortage of 20 million units. As of July, 2016 only 19,255 units have been built under the programme while 864 projects involving 7,28,840 houses have received approvals to commence work.

Other Government initiatives like 'Make in India' and 'Start-up India' is likely to boost manufacturing and business activities in the country resulting in higher real estate demand.

- **Tourism:** The Government focuses on enhancing tourism in India with a target of attracting 13 million foreign tourists by 2020. 25 projects worth ₹ 20.48 bn have been sanctioned under the Swadesh Darshan Scheme to create theme circuits along with initiatives for enhancing cleanliness in the country. The rise in tourism is likely to boost the real estate demand for the hospitality sector.

THREATS AND RISKS

- **Liquidity issues and high interest costs:** The real estate business being a capital intensive business involves huge investments over a long term with majority of the returns being generated at later stages. Unavailability of cheap funds or foreign investments may result in project delays, escalating cost of construction, liquidity crunch, losses and bankruptcy. Thus, it is very important for developers to manage operations efficiently to reduce impact of such risks.

At ARL, we are relatively risk-free in this regards through making investments in land bank (primary project cost) at a time when prices were low. Thus, the market value of our land bank is considerably higher than the debt on books. Moreover, our experience, strong IT infrastructure, expert team and strong project management capabilities enables us to management operations efficiently without any delays resulting in a significant reduction in our operational costs.

Further, 14.96 % of our revenues comes from lease and rental income from commercial properties enabling us to secure our working capital requirements.

- **Piling inventory:** Inventory pile-up is another major concern that can severely impact real estate companies. Real estate projects involve huge projects costs and inability to market them can result in severe dent in the profitability. Over the past few years the over estimation of demand by developers and surge in real estate prices led to a huge inventory pile-up for real estate companies causing losses.

Strong Winds. Stronger Wings.

ARL is amongst the most reputed real estate developers in NCR recognised for quality of construction and timely delivery. Even before the amendments in the real estate act, we were amongst the few companies to provide consumers detailed and correct information of the projects. Moreover, our properties witness significantly higher capital appreciation than the industry. It is this trust and security that enabled us to glide through the downturn.

INTERNAL CONTROLS

The Company has internal control systems commensurate to the size and nature of business it operates in. It has well-defined and structured policies, procedures and processes as stated by the statutes and law for ensuring compliance to statutes and laws. Strong MIS system of the Company enables rigorous monitoring of data to ensure that all major expenses are within the budgeted limits. Any deviations from budgets or issues related non-compliance are immediately reported and necessary corrective actions are taken by the Management. All the functions and processes across business activities are regularly audited by internal as well as external auditors.

HUMAN RESOURCES

ARL considers employees as the most valuable resource that contributes towards the growth and functioning of the Company. The Company ensures a conducive, productive and safe work environment through devising human resource policies that

focus on enhancing employee motivation and satisfaction. The Company regularly reviews and upgrades its health and safety measures to maximise safety of employees and construction workers at project sites. We have recognition of maintaining the lowest work related accidents across all sites. The Company has a professional work culture built around strong corporate ethos. Employees are regularly provided skill and personal development training. During the year, the Company maintained healthy and cordial industrial relations with its employees. As on March 31, 2016 the Company has a total of 366 employees.

CAUTIONARY STATEMENT

The Management Discussion and Analysis contains statements for describing the Company's objectives, projections, estimates, expectation or predictions. These statements are 'forward looking' in nature and are within the meaning of applicable securities laws and regulations. The Company has undertaken various assessment and analysis to make assumptions on the future expectations on business development. However, various risks and unknown factors could cause differences in the actual developments from our expectations. Important factors that could make a difference to the company's operations include macro-economic developments in the country and improvement in the state of capital markets, changes in the Governmental regulations, taxes, laws and other statutes and other incidental factors. The Company undertakes no obligation to publicly revise any forward looking statements to reflect future/likely events or circumstances.

INDEPENDENT AUDITOR'S REPORT

To the Members of Anant Raj Limited

1) REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying standalone financial statements of Anant Raj Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2) MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

3) AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act, and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstance. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

4) OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

5) REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2016 (the Order), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

“ANNEXURE B” TO INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the section 143 of the Act

We have audited the internal financial controls over financial reporting of Anant Raj Limited (“the Company”) as of March 31, 2016, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for laying down and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (Guidance Note) issued by the Institute Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Standards of Auditing, to the extent applicable to an audit of internal financial controls and the Guidance Note, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of its inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were

operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

1 CORPORATE INFORMATION

Anant Raj Limited (formerly known as Anant Raj Industries Limited) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on the Bombay Stock Exchange, National Stock Exchange and Luxembourg Stock Exchange. The Company is primarily engaged in development and construction of information and technology parks, hospitality projects, special economic zones, office complexes, shopping malls and residential projects in the State of Delhi, Haryana, Rajasthan and the National Capital Region.

2 ACCOUNTING POLICIES

a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles ("GAAP") under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards as notified under section 133 of the Companies Act, 2013, read with Rule 7 of [Companies (Accounts) Rules, 2014], and other relevant provisions of Companies Act, 2013, and the guidelines issued by the Securities Exchange Board of India. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The management evaluates all recently issued or revised accounting standards on an ongoing basis.

b) USE OF ESTIMATES

The preparation of financial statements in conformity with the GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the reporting period. Although these estimates are based on the managements' best knowledge of current events and actions, actual results could differ from these estimates. Any changes in estimates are given effect to the financial statements prospectively.

c) TANGIBLE ASSETS, INTANGIBLE ASSETS, CAPITAL WORK IN PROGRESS AND CAPITAL ADVANCES

Tangible assets, are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost related to the acquisition and installation of the respective asset to bring the asset to its working condition for its intended use. Capital work in progress represents expenditure incurred in respect of capital projects which are carried at cost. Cost includes land, related acquisition expenses, development and construction costs, borrowing costs and other direct expenditure.

Interest on borrowed money allocated to and utilized for fixed assets, pertaining to the period up to the date of capitalization is capitalized. Assets acquired on hire purchase are capitalized at the gross value and interest thereon is charged to the Statement of Profit and Loss.

Advances paid towards acquisition of tangible assets outstanding at each Balance Sheet date are disclosed as "Capital Advances" under Long Term Loans and Advances and cost of fixed assets not yet ready for their intended use as at the reporting date are disclosed under "Capital Work in Progress".

An item of tangible assets is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement in the year the asset is de-recognized.

d) IMPAIRMENT OF ASSETS

As at each reporting date, the carrying amount of assets is tested for impairment so as to determine:

- (a) the provision for impairment loss, if any, required or
- (b) The reversal, if any, required of impairment loss recognized in previous periods.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- (a) in the case of an individual asset, at the higher of the net selling price and the value in use.

(b) in the case of a cash generating unit (a group of assets that generates identified independent cash flows) at the higher of the cash generating unit's net selling price and the value in use.

Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life.

e) **INVESTMENTS**

Trade investments are the investments made to enhance the Company's business interests. Investment in subsidiaries and others are stated at cost. Investments that are intended to be held for more than a year, from the date of acquisition, are classified as long term investments and are stated at cost less provision for diminution in the value of such investments, if such diminution is of permanent nature. Investments, other long term investments, being current investments, are valued at lower of cost or fair value, and are computed separately in respect of each category of investment.

Investments in units/mutual funds are valued at lower of cost or marked to market values. Gain or loss on sale of investments is computed as difference between the net proceeds realized and the book value and is accordingly recognized in the Statement of Profit and Loss.

Investment properties are carried individually at cost less accumulated depreciation and impairment, if any. Investment properties are capitalised and depreciated, where applicable, in accordance with the policy stated for Tangible Fixed Assets.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

f) **INVENTORIES**

Real Estate: Lower of cost or net market value; Cost includes cost of acquisition and other related expenses incurred in bringing the inventories to their present location and condition. Net market value is the estimated selling price in the ordinary course of business.

Constructed/Under Construction Properties: Lower of cost or net realisable value. Cost includes the cost of land, internal development cost, external development charges, construction costs, overheads, borrowing costs and development/construction material.

Development Rights: At cost of acquisition, including cost of acquiring rights of any interested party. Development rights are considered to have been acquired on execution of a Development Agreement upon vesting of irrevocable rights in the Company to construct, market, and sell the development over land and realize and retain the economic and other benefits.

g) **UNBILLED RECEIVABLES**

Unbilled receivables represent revenue recognized based on Percentage of Completion of Construction Method [Para (i) below], to the extent the work completed exceeds billed receivables.

h) **DEPRECIATION AND AMORTISATION**

Depreciation on fixed assets is charged in accordance with estimate of useful life of the assets on written down value method, except Buildings wherein depreciation is charged on straight line method, at rates specified in Schedule II of the Companies Act, 2013. Depreciation on assets purchased/sold during a period is proportionately charged.

Goodwill arising on amalgamation is amortised over a period of five years.

In respect of an asset for which impairment loss is recognised, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

Where depreciable assets are revalued, depreciation is provided on the revalued amount and the additional depreciation on accretion to assets on revaluation is transferred from revaluation reserve to the Statement of Profit and Loss.

i) **REVENUE RECOGNITION**

a) Existing Real Estate Projects

Revenue from construction projects for sale is recognized on the 'Percentage of Completion of Construction Method'. Revenue from properties under construction is recognized to the extent that the percentage of actual project cost incurred thereon to total estimated project cost bears to -date sale consideration, provided actual cost incurred is 30% or more of the total estimated project cost. Project cost includes cost of land, and estimated construction and development costs. The estimates of saleable area and costs are reviewed periodically and effect of any changes in such estimates is recognized in the period such changes are determined. When the total project cost is estimated to exceed total revenues from the project, the loss is immediately recognized.

Strong Winds. Stronger Wings.

b) New Real Estate Projects

(i) The Institute of Chartered Accountants of India revised the 'Guidance Note on Accounting for Real Estate Transactions'. The revised Guidance Note is applicable to all projects commenced on or after April 1, 2012, and also to projects which have already commenced but where revenue is being recognised for the first time on or after April 1, 2012. The revised guidance note prescribes following conditions on basis of which the Company can recognise revenue on the projects:

- All critical approvals necessary for commencement of the project have been obtained;
- When the stage of completion of the project has reached a reasonable level of development, i.e., when the expenditure incurred on construction and development is equal to or more than 25% of the total estimated project construction and development cost;
- At least 25% of the saleable project area is secured by contracts or agreements with buyers; and
- At least 10% of the total revenue as per the agreements of sale or any other legally enforceable documents are realized in respect of each of the agreements on the reporting date and it is also reasonable to expect that the parties to such contracts will comply with the payment terms as defined in contracts.

The 'Percentage of Completion Method' is applied on a cumulative basis in each reporting period to the current estimates of project revenues and project costs. The effect of any change in the estimate is accounted for in the period when such change is evident.

When it is probable that the total project cost will exceed total revenue from the project, the loss is immediately recognized.

- ii) Revenues from construction contracts are recognised by reference to the stage of completion of each contract activity on the reporting date of the financial statements, and costs related to the respective contracts are charged to the Statement of Profit and Loss for the year.
- iii) Revenues from sale of investment properties and assets to the extent of sale consideration reduced by the respective costs thereof in each case, being value inclusive of cost of acquisition, and construction and development cost thereof.
- iv) Forfeiture due to non fulfilment of obligations by counter parties is accounted as Revenue on unconditional appropriation.
- v) Revenues from rentals are recognised on accrual basis in accordance with terms of agreements executed with respective tenants.
- vi) Service receipts and interest from customers is accounted for on accrual basis.
- vii) Share of profit/loss from firm in which the Company is a partner is accounted for in the financial year ending on the date of the Balance Sheet.

Other Income

- i) Interest income is recognized on time proportion basis taking into account the amount outstanding and the applicable rate of interest.
- ii) Dividend income is recognized when the right to receive the dividend is established.
- iii) Interest on arrears of allotment money is accounted in the year of receipt.

j) CLAIMS

Claims lodged by and lodged against the Company are accounted in the year of payment or settlement thereof.

k) BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognized as part of Finance Cost in the income statement in the period in which they are incurred.

l) EMPLOYEE BENEFITS

(i) Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the services are classified as Short Term Employee Benefits. Benefits such as salaries, wages and short term compensations etc. and the expected cost of gratia is recognized in the period in which the employee renders the related service.

(ii) Post Employment Benefits:

- (a) Defined Benefit Plans: The Company's Gratuity and Leave encashment schemes are defined benefit plans. In accordance with the requirements of revised Accounting Standard-15 "Employee Benefits", the Company provides for gratuity covering eligible employees on the basis of actuarial valuation as carried out by an independent actuary using the Projected Unit Credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans is based on the market yields on Government securities as at the Balance Sheet date.

The liability is un-funded. Actuarial gains and losses arising from changes in the actuarial assumptions are charged or credited to the Statement of Profit and Loss in the year in which such gains or losses arise.

Leave encashment benefits payable to employees of the Company with respect to accumulated leave outstanding at the year end are accounted for on the basis of an actuarial valuation as at the Balance Sheet date.

- (b) Defined Contribution Plans:- Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employees state insurance are defined contribution plans. The contributions are recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. The Company does not have any further obligation in this respect, beyond such contribution.

Other employee benefits are accounted for on accrual basis.

m) FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are recorded at the rates prevailing on the date of the transaction. Monetary items denominated in foreign currency are restated at the rate prevailing on the Balance Sheet date except in cases where actual amount has been ascertained by the time of finalization of accounts.

Exchange differences arising on the translation or settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous financial statements, are recorded in exchange fluctuation account and recognized as income or expense in the year in which they arise.

n) TAXES ON INCOME

The accounting treatment followed for taxes on income is to provide for Current Tax and Deferred Tax. Provision for current income tax is made for the tax liability payable on taxable income ascertained in accordance with the applicable tax rates and laws.

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences between the financial statements, carrying amounts of existing assets and liabilities and their respective tax bases and carry forwards of operating loss. Deferred tax assets and liabilities are measured on the timing differences applying the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Changes in deferred tax assets and liabilities between one Balance Sheet date and the next, are recognized in the Statement of Profit and Loss in the year of change. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the Statement of Profit and Loss in the year of change.

Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which these assets can be realized in future, whereas in case of existence of unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is virtual certainty of realization backed by convincing evidence. Deferred tax assets are reviewed at each Balance Sheet date.

The credits arising from 'Minimum Alternate Tax' paid are recognised as receivable only if there is virtual certainty that the Company will have sufficient taxable income in future years in order to utilize such credits.

o) CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

p) CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term demand deposits with an original maturity period of three months or less.

Strong Winds. Stronger Wings.

q) EARNINGS PER SHARE

Basic earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares except where the results would be anti-dilutive.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all period presented for any share splits and bonus shares issues.

r) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provision involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent assets are neither recognised nor disclosed in the financial statements.

s) LEASES OBTAINED

Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating lease. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term. Finance lease which effectively transfer to the Company substantial risk and benefits incidental to ownership of the leased items, are capitalized and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Financial expenses are charged directly against income.

t) UNAMORTISED EXPENDITURE

Unamortised expenditure is amortised equally over a period of 5 years.

33 Inventory includes, Development Rights acquired for ₹ 10,64,23,51,542 (₹ 10,58,03,56,590), being payments made to subsidiary companies under Development Agreements to acquire irrevocable rights over land whereby the Company is entitled to construct, market and sell the development on the same.

34 In the opinion of the Board, all assets other than fixed assets and non current investments, have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated.

35 As per Accounting Standard-21 on "Consolidated Financial Statements" issued by the Institute of Chartered Accountants of India, the Company has presented consolidated financial statements separately in this annual report.

36 The Company, in 2008, transferred an early stage real estate development project for construction and development of a shopping mall in New Delhi to its wholly owned subsidiary, Anant Raj Projects Limited (ARPL) and Lalea Trading Limited (Investor) made an investment in the transferee company, diluting the investment of the Company to 74%. The cost of construction and development to complete the mall project has been funded by the Company, which amount, at the option of the Company, is convertible into unsecured Non-Convertible Debentures (NCDs) to be issued by ARPL. ARPL has issued NCDs of an amount of ₹ 93.79 crores (₹ 93.79 crores). Pending adjudication of consolidated stamp duty, certificates of NCDs of ₹ 71.98 crores (₹ 71.98 crores) have yet to be issued by ARPL.

The NCDs are redeemable by ARPL at par with the approval of its Board of Directors and carry such coupon rate of interest as may be decided by the Board of Directors of ARPL for any financial year, provided that the same shall be at par with the rate of interest decided for payment on fully convertible debentures issued to the Investor and at the same time shall not exceed then current banking rate subject to a cap rate of 14.25% per annum. No coupon rate of interest on NCDs for the year ended March 31, 2016, has been decided for payment by the Board of Directors of ARPL.

The Company is obliged to discharge the liability towards charges for conversion of use of land forming part of the mall project of its subsidiary Company, ARPL, and maintaining the eligibility of the land to be put to use for commercial purposes.

37 In terms of an 'Exit Agreement' dated July 12, 2010, executed between the ARPL and Investor to which the Company is also a party, the Investor has agreed to exit from its investment in ARPL in favour of the Company and steps to be taken in terms of

Strong Winds. Stronger Wings.

the aforesaid Agreement shall adhere to and be in compliance with the approvals as accorded by Foreign Investment Promotion Board (FIPB), read with and to be implemented in accordance with approval(s) required and/or to be obtained under applicable law(s) and guideline(s) and order(s) of Court(s) and/or Arbitral Tribunal of appropriate jurisdiction.

The Investor, acting in compliance of the directions of the Orders of the Hon'ble High Court of Delhi dated January 10, 2013, have since on 2 (two) successive occasions nominated its Arbitrator, which on being pointed out by the Company were not in accordance with the provisions of the relevant Agreement and Arbitration and Conciliation Act, 1996, led to 3rd time nomination of an Arbitrator by the Investor on August 5, 2014. The Arbitrator last nominated by the Investor has yet not advised or provided the requisite confirmations. The Company and its subsidiary Company (ARPL) jointly nominated their Arbitrator, and at the same time communicated to the Investor that they reserve right to advance their arguments/ objections, amongst others, including those in relation to the person so nominated as Arbitrator by the Investor, before a validly constituted learned Arbitral Tribunal.

The Company has also objected to the Law Firm representing the Investor as the said Law Firm had earlier taken up representation for the Company, which it continued to carry out as at material times. The said Law Firm despite communication of the Company that it should sever itself from representing the Investor, and in the face of several reminders from the Company in the matter, has yet not communicated its clear position in the matter. The Company may, if needed, take up the matter with an appropriate professional body.

The Company has since been served a notice by the Hon'ble Supreme Court of India in the matter of Arbitration Petition filed by the Investor under section Arbitration & Conciliation Act, 1996, wherein the Investor, the Law Firm and its nominated Arbitrator, without having provided the requisite clarifications or taken actions in line with expectations of professional conduct, have sought appointment of Presiding Arbitrator.

- 38 The dispute between the Company and Center for Vocational and Entrepreneurship Studies (CVES) [formerly known as International Institute of Planning and Management] in the matter of non-payment of instalments being part of sale consideration and overdue interest thereon by IIPM in relation to purchase of land and building by CVES from the Company was referred by the Hon'ble Delhi High Court to the Mediation and Conciliation Centre of the said Hon'ble High Court. The matter came about to be settled amongst the parties, whereby CVES agreed to execute cancellation deed to the sale deed, which had the effect of the earlier sale deed as not having been executed, and the settlement was recorded by the Hon'ble Delhi High Court vide its Order dated June 5, 2015.

The Company has recorded accounting entries resulting from the aforesaid settlement in its books of account for the year ended March 31, 2016, including income adjusted towards interest.

- 39 The State Government of Haryana, did not fulfil its obligations in the matter of grant of sales tax exemption. The Company had filed a writ petition before the Hon'ble High Court of Punjab and Haryana, situated at Chandigarh, which was admitted and is yet to be fully disposed. The Company has been advised that no liability is likely to arise on account of sales tax, and accordingly, no provision has been made by the Company in its books of account.
- 40 Balances grouped under sundry debtors, sundry creditors and loans and advances recoverable in cash or in kind are subject to confirmation from subjective parties.
- 41 The Company has filed appeals before the Hon'ble High Court of Delhi against the decision of the Hon'ble Appellate Tribunal (ITAT) in the matter of three reassessment proceedings which matters have been admitted.

A demand of ₹ 2,79,12,346 (₹ 2,79,12,346) [excluding interest and additional tax] has been raised by the Income tax Department for the years under these appeals. The Company has not made any provision in the books of account as the Company has been advised that no liability is likely to crystallize on this account.

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the members of Anant Raj Limited

1) REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of Anant Raj Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates, comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

2) MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

3) AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those

Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

4) OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

“ANNEXURE-A” TO INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the section 143 of the Act

We have audited the Internal Financial Controls over financial reporting of Anant Raj Limited (“the Holding Company”) as of March 31, 2016 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company are responsible for laying down and maintaining internal financial controls based on ‘the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (Guidance Note) issued by the Institute Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Standards of Auditing, to the extent applicable to an audit of internal financial controls and the Guidance Note, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain the reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of its inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1 CORPORATE INFORMATION

Anant Raj Limited (formerly known as Anant Raj Industries Limited) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on the Bombay Stock Exchange, National Stock Exchange and Luxembourg Stock Exchange. The Company is primarily engaged in development and construction of information and technology parks, hospitality projects, special economic zones, office complexes, shopping malls and residential projects in the State of Delhi, Haryana, Rajasthan and the National Capital Region.

2 ACCOUNTING POLICIES

a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Consolidated Financial Statements (CFS) include the financial statements of Anant Raj Limited (the Company), its subsidiaries, associates and partnership firm (the Group). The CFS of the Group are prepared in accordance with the Indian Generally Accepted Accounting Principles ("GAAP") under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards as notified under section 133 of the Companies Act, 2013, read with Rule 7 of [Companies (Accounts) Rules, 2014], and the other relevant provisions of Companies Act, 2013, and the guidelines issued by the Securities Exchange Board of India. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The management evaluates all recently issued or revised accounting standards on an ongoing basis.

b) USE OF ESTIMATES

The preparation of CFS in conformity with the GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures of contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the reporting period. Although these estimates are based on the managements' best knowledge of current events and actions, actual results could differ from these estimates. Any changes in estimates are given effect to the financial statements prospectively.

c) PRINCIPLES OF CONSOLIDATION

The financial statements of the subsidiaries used in the consolidation are drawn upto the same reporting date as of the Company.

The CFS are prepared on the following basis:

- (i) The CFS of the Group have been prepared in accordance with Accounting Standard-21 "Consolidated Financial Statements" as notified by the Companies (Accounts) Rules 2014, to the extent possible in the same format as that adopted by the parent Company for its separate financial statements by regrouping, recasting or rearranging figures, wherever, considered necessary.
- (ii) The CFS include the financial statements of the Company and all its subsidiaries, which are more than 50% owned or controlled and partnership firm where the Company's share in the profit sharing ratio is more than 50% as at March 31, 2016. Investments in entities that were not more than 50% owned or controlled have been accounted for in accordance with the provisions of Accounting Standard 23 'Accounting for Investments in Associates' in Consolidated Financial Statements notified pursuant to the Companies (Accounts) Rules, 2014.
- (iii) The CFS of the Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra group balances, intra-group transactions and unrealised profits on intra-group transactions.
- (iv) Investment in associates where the Company directly or indirectly controls through subsidiaries hold more than 20% of equity, are accounted for using equity method as per Accounting Standard 23 - "Accounting for Investments in Associates in Consolidated Financial Statements" notified by Companies (Accounts) Rules, 2014. The audited financial statement of associates are used in the consolidation, if available, otherwise unaudited financial statements are used.
- (v) Minority interest in the net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separately from liabilities and equity of the Company's shareholders.

Minority interest in the net assets of consolidated subsidiaries consists of:

- The amount of equity attributable to minority at the date on which investment in a subsidiary is made; and
- The minority share of movements in equity since the date parent subsidiary relationship came into existence.

- (vi) Minority interest's share of Net Profit/(Loss) for the year of consolidated subsidiaries is identified and adjusted against the profit after tax of the Group.
- (vii) The excess of cost to the parent company of its investment in the subsidiary over the parent company's' portion of equity of the subsidiary is recognised in the CFS as 'Goodwill'. The excess of parent company's' portion of equity over the cost of investment as at the date of its investment is treated as 'Capital Reserve'.
- (viii) Goodwill arising out of consolidation is not being amortised.
- (ix) Related party transactions with consolidating subsidiaries have been eliminated in CFS.
- (x) Notes to the CFS represents notes involving items which are considered material and are accounted duly disclosed. Materiality for the purpose is assessed in relation to the information contained in the CFS.

d) TANGIBLE ASSETS, INTANGIBLE ASSETS, CAPITAL WORK IN PROGRESS AND CAPITAL ADVANCES

Goodwill arising from consolidation represents the excess of cost to the parent Company of its investment in subsidiaries over the parent Company's' portion of equity at the date on which investment in subsidiaries is made.

Tangible assets, are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost related to the acquisition and installation of the respective asset to bring the asset to its working condition for its intended use. Capital work in progress represents expenditure incurred in respect of capital projects which are carried at cost. Cost includes land, related acquisition expenses, development and construction costs, borrowing costs and other direct expenditure.

Interest on borrowed money allocated to and utilized for fixed assets, pertaining to the period up to the date of capitalization is capitalized. Assets acquired on hire purchase are capitalized at the gross value and interest thereon is charged to the Statement of Profit and Loss.

Advances paid towards acquisition of tangible assets outstanding at each Balance Sheet date are disclosed as "Capital Advances" under Long Term Loans and Advances and cost of fixed assets not yet ready for their intended use as at the reporting date are disclosed under "Capital Work in Progress".

An item of tangible assets is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement in the year the asset is de-recognized.

e) IMPAIRMENT OF ASSETS

As at each reporting date, the carrying amount of assets is tested for impairment so as to determine:

- (a) the provision for impairment loss, if any, required or
- (b) The reversal, if any, required of impairment loss recognized in previous periods.

Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- (a) in the case of an individual asset, at the higher of the net selling price and the value in use.
- (b) in the case of a cash generating unit (a group of assets that generates identified independent cash flows) at the higher of the cash generating unit's net selling price and the value in use.

Value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life.

f) INVESTMENTS

Trade investments are the investments made to enhance the Company's business interests. Investment in subsidiaries and others are stated at cost. Investments that are intended to be held for more than a year, from the date of acquisition, are classified as long term investments and are stated at cost less provision for diminution in the value of such investments, if such diminution is of permanent nature. Investments, other long term investments, being current investments, are valued at lower of cost or fair value, and are computed separately in respect of each category of investment.

Investments in units/mutual funds are valued at lower of cost or marked to market values. Gain or loss on sale of investments is computed as difference between the net proceeds realized and the book value and is accordingly recognized in the Statement of Profit and Loss.

Investment properties are carried individually at cost less accumulated depreciation and impairment, if any. Investment properties are capitalised and depreciated, where applicable, in accordance with the policy stated for Tangible Fixed Assets.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

Strong Winds. Stronger Wings.

g) INVENTORIES

Real Estate: Lower of cost or net market value; Cost includes cost of acquisition and other related expenses incurred in bringing the inventories to their present location and condition. Net market value is the estimated selling price in the ordinary course of business.

Constructed/Under Construction Properties: Lower of cost or net realisable value. Cost includes the cost of land, internal development cost, external development charges, construction costs, overheads, borrowing costs and development/construction material.

Development Rights: At cost of acquisition, including cost of acquiring rights of any interested party. Development rights are considered to have been acquired on execution of a Development Agreement upon vesting of irrevocable rights in the Company to construct, market, and sell the development over land and realize and retain the economic and other benefits.

h) UNBILLED RECEIVABLES

Unbilled receivables represent revenue recognized based on Percentage of Completion of Construction Method [Para (j) below], to the extent the work completed exceeds billed receivables.

i) DEPRECIATION AND AMORTISATION

Depreciation on fixed assets is charged in accordance with estimate of useful life of the assets on written down value method, except Buildings wherein depreciation is charged on straight line method, at rates specified in Schedule II of the Companies Act, 2013. Depreciation on assets purchased/sold during a period is proportionately charged.

Goodwill arising on amalgamation is amortised over a period of five years.

In respect of an asset for which impairment loss is recognised, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

Where depreciable assets are revalued, depreciation is provided on the revalued amount and the additional depreciation on accretion to assets on revaluation is transferred from revaluation reserve to the Statement of Profit and Loss.

j) REVENUE RECOGNITION

a) Existing Real Estate Projects

Revenue from construction projects for sale is recognized on the 'Percentage of Completion of Construction Method'. Revenue from properties under construction is recognized to the extent that the percentage of actual project cost incurred thereon to total estimated project cost bears to -date sale consideration, provided actual cost incurred is 30% or more of the total estimated project cost. Project cost includes cost of land, and estimated construction and development costs. The estimates of saleable area and costs are reviewed periodically and effect of any changes in such estimates is recognized in the period such changes are determined. When the total project cost is estimated to exceed total revenues from the project, the loss is immediately recognized.

b) New Real Estate Projects

(i) The Institute of Chartered Accountants of India revised the 'Guidance Note on Accounting for Real Estate Transactions'. The revised Guidance Note is applicable to all projects commenced on or after April 1, 2012, and also to projects which have already commenced but where revenue is being recognised for the first time on or after April 1, 2012. The revised guidance note prescribes following conditions on basis of which the Company can recognise revenue on the projects:

- All critical approvals necessary for commencement of the project have been obtained;
- When the stage of completion of the project has reached a reasonable level of development, i.e., when the expenditure incurred on construction and development is equal to or more than 25% of the total estimated project construction and development cost;
- At least 25% of the saleable project area is secured by contracts or agreements with buyers; and
- At least 10% of the total revenue as per the agreements of sale or any other legally enforceable documents are realized in respect of each of the agreements on the reporting date and it is also reasonable to expect that the parties to such contracts will comply with the payment terms as defined in contracts.

The 'Percentage of Completion Method' is applied on a cumulative basis in each reporting period to the current estimates of project revenues and project costs. The effect of any change in the estimate is accounted for in the period when such change is evident.

When it is probable that the total project cost will exceed total revenue from the project, the loss is immediately recognized.

- ii) Revenues from construction contracts are recognised by reference to the stage of completion of each contract activity on the reporting date of the financial statements, and costs related to the respective contracts are charged to the Statement of Profit and Loss for the year.
- iii) Revenues from sale of investment properties and assets to the extent of sale consideration reduced by the respective costs thereof in each case, being value inclusive of cost of acquisition, and construction and development cost thereof.
- iv) Forfeiture due to non fulfilment of obligations by counter parties is accounted as Revenue on unconditional appropriation.
- v) Revenues from rentals are recognised on accrual basis in accordance with terms of agreements executed with respective tenants.
- vi) Service receipts and interest from customers is accounted for on accrual basis.
- vii) Share of profit/loss from firm in which the Company is a partner is accounted for in the financial year ending on the date of the Balance Sheet.

Other Income

- i) Interest income is recognized on time proportion basis taking into account the amount outstanding and the applicable rate of interest.
- ii) Dividend income is recognized when the right to receive the dividend is established.
- iii) Interest on arrears of allotment money is accounted in the year of receipt.

k) CLAIMS

Claims lodged by and lodged against the Company are accounted in the year of payment or settlement thereof.

l) BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognized as part of Finance Cost in the income statement in the period in which they are incurred.

m) EMPLOYEE BENEFITS

(i) Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the services are classified as Short Term Employee Benefits. Benefits such as salaries, wages and short term compensations etc. and the expected cost of gratia is recognized in the period in which the employee renders the related service.

(ii) Post Employment Benefits:

- (a) **Defined Benefit Plans:** The Company's Gratuity and Leave encashment schemes are defined benefit plans. In accordance with the requirements of revised Accounting Standard-15 "Employee Benefits", the Company provides for gratuity covering eligible employees on the basis of actuarial valuation as carried out by an independent actuary using the Projected Unit Credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans is based on the market yields on Government securities as at the Balance Sheet date.

The liability is un-funded. Actuarial gains and losses arising from changes in the actuarial assumptions are charged or credited to the Statement of Profit and Loss in the year in which such gains or losses arise.

Leave encashment benefits payable to employees of the Company with respect to accumulated leave outstanding at the year end are accounted for on the basis of an actuarial valuation as at the Balance Sheet date.

- (b) **Defined Contribution Plans :** Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employees state insurance are defined contribution plans. The contributions are recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. The Company does not have any further obligation in this respect, beyond such contribution.

Other employee benefits are accounted for on accrual basis.

Strong Winds. Stronger Wings.

n) FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are recorded at the rates prevailing on the date of the transaction. Monetary items denominated in foreign currency are restated at the rate prevailing on the Balance Sheet date except in cases where actual amount has been ascertained by the time of finalization of accounts.

Exchange differences arising on the translation or settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous financial statements, are recorded in exchange fluctuation account and recognized as income or expense in the year in which they arise.

o) TAXES ON INCOME

The accounting treatment followed for taxes on income is to provide for Current Tax and Deferred Tax. Provision for current income tax is made for the tax liability payable on taxable income ascertained in accordance with the applicable tax rates and laws.

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences between the financial statements, carrying amounts of existing assets and liabilities and their respective tax bases and carry forwards of operating loss. Deferred tax assets and liabilities are measured on the timing differences applying the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Changes in deferred tax assets and liabilities between one Balance Sheet date and the next, are recognized in the Statement of Profit and Loss in the year of change. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the Statement of Profit and Loss in the year of change.

Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which these assets can be realized in future, whereas in case of existence of unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is virtual certainty of realization backed by convincing evidence. Deferred tax assets are reviewed at each Balance Sheet date.

The credits arising from 'Minimum Alternate Tax' paid are recognised as receivable only if there is virtual certainty that the Company will have sufficient taxable income in future years in order to utilize such credits.

p) EARNINGS PER SHARE

Basic earnings per share is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares except where the results would be anti-dilutive.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all period presented for any share splits and bonus shares issues.

q) CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term demand deposits with an original maturity period of three months or less.

r) CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

s) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provision involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent assets are neither recognised nor disclosed in the financial statements.

t) LEASES OBTAINED

Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating lease. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term. Finance lease which effectively transfer to the Company substantial risk and benefits incidental to ownership of the leased items, are capitalized and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Financial expenses are charged directly against income.

u) UNAMORTISED EXPENDITURE

Unamortised expenditure is amortised equally over a period of 5 years.

* Ceased to be subsidiary during the year.

@ The Company holds through its subsidiaries more than one-half in nominal value of their equity share capital.

- b) Goodwill amounting to ₹ 1,43,97,51,827 (₹ 1,43,97,61,138) has been recognised in CFS being excess of the cost to the parent of its investment in subsidiaries.
- c) In accordance with the Accounting Standard-21 'Consolidated Financial Statements' issued by the Institute of Chartered Accountants of India, the difference between the proceeds from the disposal of investments in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the CFS, the profit on disposal of the investments in the subsidiaries.
- d) The CFS for the current year are not comparable with that of previous year on account of inclusion of acquired subsidiaries and exclusion of subsidiaries.
- e) The CFS are prepared using uniform accounting policies for the transactions and other events in similar circumstances.
- f) Figures pertaining to the subsidiaries have been reclassified wherever necessary to bring them in line with the Company's Financial Statements.
- 37 Balances grouped under sundry debtors, sundry creditors and loans and advances recoverable in cash or in kind are subject to confirmation from subjective parties.
- 38 The Company, in 2008, transferred an early stage real estate development project for construction and development of a shopping mall in New Delhi to its wholly owned subsidiary, Anant Raj Projects Limited (ARPL) and Lalea Trading Limited (Investor) made an investment in the transferee company, diluting the investment of the Company to 74%. The cost of construction and development to complete the mall project has been funded by the Company, which amount, at the option of the Company, is convertible into unsecured Non-Convertible Debentures (NCDs) to be issued by ARPL. ARPL has issued NCDs of an amount of ₹ 93.79 crores (₹ 93.79 crores). Pending adjudication of consolidated stamp duty, certificates of NCDs of ₹ 71.98 crores (₹ 71.98 crores) have yet to be issued by ARPL.

The NCDs are redeemable by ARPL at par with the approval of its Board of Directors and carry such coupon rate of interest as may be decided by the Board of Directors of ARPL for any financial year, provided that the same shall be at par with the rate of interest decided for payment on fully convertible debentures issued to the Investor and at the same time shall not exceed then current banking rate subject to a cap rate of 14.25% per annum. No coupon rate of interest on NCDs for the year ended March 31, 2016, has been decided for payment by the Board of Directors of ARPL.

The Company is obliged to discharge the liability towards charges for conversion of use of land forming part of the mall project of its subsidiary Company, ARPL, and maintaining the eligibility of the land to be put to use for commercial purposes.

- 39 In terms of an 'Exit Agreement' dated July 12, 2010, executed between the ARPL and Investor to which the Company is also a party, the Investor has agreed to exit from its investment in ARPL in favour of the Company and steps to be taken in terms of the aforesaid Agreement shall adhere to and be in compliance with the approvals as accorded by Foreign Investment Promotion Board (FIPB), read with and to be implemented in accordance with approval(s) required and/or to be obtained under applicable law(s) and guideline(s) and order(s) of Court(s) and/or Arbitral Tribunal of appropriate jurisdiction.

The Investor, acting in compliance of the directions of the Orders of the Hon'ble High Court of Delhi dated January 10, 2013, have since on 2 (two) successive occasions nominated its Arbitrator, which on being pointed out by the Company were not in accordance with the provisions of the relevant Agreement and Arbitration and Conciliation Act, 1996, led to 3rd time nomination of an Arbitrator by the Investor on August 5, 2014. The Arbitrator last nominated by the Investor has yet not advised or provided the requisite confirmations. The Company and its subsidiary Company (ARPL) jointly nominated their Arbitrator, and at the same time communicated to the Investor that they reserve right to advance their arguments/ objections, amongst others, including those in relation to the person so nominated as Arbitrator by the Investor, before a validly constituted learned Arbitral Tribunal.

The Company has also objected to the Law Firm representing the Investor as the said Law Firm had earlier taken up representation for the Company, which it continued to carry out as at material times. The said Law Firm despite communication of the Company that it should sever itself from representing the Investor, and in the face of several reminders from the Company in the matter, has yet not communicated its clear position in the matter. The Company may, if needed, take up the matter with an appropriate professional body.

The Company has since been served a notice by the Hon'ble Supreme Court of India in the matter of Arbitration Petition filed by the Investor under section Arbitration & Conciliation Act, 1996, wherein the Investor, the Law Firm and its nominated Arbitrator, without having provided the requisite clarifications or taken actions in line with expectations of professional conduct, have sought appointment of Presiding Arbitrator.

40 The State Government of Haryana, did not fulfil its obligations in the matter of grant of sales tax exemption. The Company had filed a writ petition before the Hon'ble High Court of Punjab and Haryana, situated at Chandigarh, which was admitted and is yet to be fully disposed. The Company has been advised that no liability is likely to arise on account of sales tax, and accordingly, no provision has been made by the Company in its books of account.

41 The Company has filed appeals before the Hon'ble High Court of Delhi against the decision of the Hon'ble Appellate Tribunal (ITAT) in the matter of three reassessment proceedings which matters have been admitted.

A demand of ₹ 2,79,12,346 (₹ 2,79,12,346) [excluding interest and additional tax] has been raised by the Income tax Department for the years under these appeals. The Company has not made any provision in the books of account as the Company has been advised that no liability is likely to crystallize on this account.

42 The dispute between the Company and Center for Vocational and Entrepreneurship Studies (CVES) [formerly known as International Institute of Planning and Management] in the matter of non-payment of instalments being part of sale consideration and overdue interest thereon by IIPM in relation to purchase of land and building by CVES from the Company was referred by the Hon'ble Delhi High Court to the Mediation and Conciliation Centre of the said Hon'ble High Court. The matter came about to be settled amongst the parties, whereby CVES agreed to execute cancellation deed to the sale deed, which had the effect of the earlier sale deed as not having been executed, and the settlement was recorded by the Hon'ble Delhi High Court vide its Order dated June 5, 2015.

The Company has recorded accounting entries resulting from the aforesaid settlement in its books of account for the year ended March 31, 2016, including income adjusted towards interest.
